

Cedar Park City Hall campus

Photos by Traci Rodriguez

The City of Cedar Park moved into its new home—a multibuilding campus located at 450 Cypress Creek Road.

Building 1 houses the city manager, economic development, city secretary, legal services, engineering, planning and finance departments.

A The distinctive tower building has an access-controlled parking garage.

B The lobby is on the second floor. Visitors must check in here, as all other areas of the building require a keycard for entry.

C Building Inspections Director Mark Lewis (left) and Rawls Howard, Director

of Planning and Development Services, work together on a project in Howard's new office.

D Each of the building's four corners feature an outdoor sitting area, which Cedar Park Communications Director Jennie Huerta said will be used for small meetings and collaboration sessions.

Building 2 is where city residents may pay their utility bills. The building permits department is also located here.

E Residents may pay their bills during business hours, 8:30 a.m.–5 p.m. Mon.–Fri., inside the building, but they can also make use of a drive-up kiosk in the center of the parking lot.

Building 3 holds fire administration and the tourism department, as well as a multipurpose room that will be the site of early voting for Cedar Park residents.

Building 4 houses the new City Council chambers. The city will post public notices in front of this building.

F The new chambers have added capacity, enhanced access for those with disabilities, and large televisions throughout the building for attendees.

G This conference room will house executive session discussions.

Building 5 will be home to Timberland Medical Group. The Cedar Park City Council authorized City Manager Brenda Eivens to enter into a lease agreement with the company for the building at the April 12 meeting.

Building 6 is empty and could potentially be leased out by the city.

Building 7—located at 500 Cypress Creek Road—is home to **King Noodle** restaurant, **Customary Couture** dress shop and **Hemingway Restaurant & Bar**.
