Dear Mr. Randa:

Halff Associates Inc. is pleased to submit the final 2006-2016 City of Cedar Park - Parks and Open Space Master Plan, as approved by the City Council of Cedar Park on August 24, 2006. This document is the culmination of an extensive planning process involving the elected officials, staff, Parks and Recreation Advisory Board and most importantly, the citizens of Cedar Park. Our purpose has been to create a timeless document that represents the vision for the Parks System over the next ten years. This document is intended to guide the Parks system, but also incorporates flexibility in responding to unique opportunities as they arise.

We have enjoyed working with the citizens and staff of the City, and believe that this document will help guide Cedar Park as it creates one of the best park systems in the State of Texas.

Sincerely,

HALFF ASSOCIATES, INC.
