Official news about the City of Cedar Park from the City of Cedar Park.

The Cedar Park Public Library turns *40 & Fabulous* on January 17, 2021. The Library has come a long way from its humble beginnings in a 500 square-foot space. It is now the busiest of all City of Cedar Park facilities – offering everything from books and technology, to early literacy and STEM education resources. The new Cedar Park Public Library is currently under design and will anchor the Bell District.

Fittingly, the Library will revel in its fabulousness all January long, offering a cadre of celebratory community activities and “party favors” to patrons throughout the month. The anniversary theme is *40 & Fabulous: Explore today. Discover tomorrow.*
