

Official news about the City of Cedar Park from the City of Cedar Park.

Survey says ...

Share your ideas for the new Cedar Park Public Library facility!

Psst ... in case you haven't heard, the Cedar Park Public Library will be relocated to a new facility that will anchor the Bell District. The Library has outgrown its current space, as it is the most-utilized of all City facilities and our community keeps growing.

The new Library will be 60 percent larger than the existing space and will be a multi-story facility surrounded by dozens of heritage trees. It'll be connected to shopping, dining and other amenities.

Planning and development of the new Library are now underway. What will the new Library feature? How will it look? What types of spaces, materials and activities would you like to enjoy at the new Cedar Park Public Library?

You'll have the chance to tell us, February 2-28. Check out the above video and watch our website and social media channels to link to our community survey, beginning Tuesday, February 2. Meanwhile, click [here](#) for more information about this exciting project: the new Cedar Park Public Library.

LET'S TALK TRASH (AND RECYCLING)

ITEMS OUTSIDE OF THE BLUE CART:

Will not be collected for recycling

Count towards 7 bulk trash items

7

Should be next to green trash cart

Remember, starting this Monday, February 1, 2021, do your part and put it all in the **blue** cart. With so many more people working and schooling from home, we've seen a significant increase in the amount of trash and recycling being collected.

- All recycling materials must be contained in the **BLUE** recycling cart if you want those materials to be picked up by the recycling truck. This includes cardboard boxes.
- Anything outside the **BLUE** recycling cart must either be placed inside your **GREEN** trash cart or if it's outside of your carts, it will be considered part of your seven-item bulk trash limit for the second trash truck that picks up bulk trash items.
- We've updated our website to answer your questions [here](#).
- Need an additional recycling cart? It's just \$5.50/month. Call 512-243-2833.
- Don't forget: carts at least 3 feet apart, wheels to the curb.
