## BRUSHY CREEK NORTH FORK TRAIL

### Brushy Creek North Fork Trail Virtual Informational Open House

Starting next week, learn more about our latest **trail network mobility and connectivity project**: the Brushy Creek North Fork Trail.

During this upcoming three-week **Virtual Informational Open House**, you'll have the opportunity to **comment on the project**. Stay tuned to the City's social media channels and website for details.

### Heads Up for very wide left turns, in intersections under construction

Please pardon our mess at the Bell and Buttercup Creek Boulevards/Brushy Creek Road intersection, under construction. It's temporarily a **very wide left turn**. Some drivers with the green arrow protected left turn signal are looking up at the cross traffic's red signal during their turn, and stopping inside the intersection. **Please proceed carefully, follow signs and complete your turn.** Thank you for your caution and patience as crews work to improve this intersection!

### Meet the artist: Laura Sturtz

The Cedar Park Sculpture Garden, located next to the Cedar Park Recreation Center at 1435 Main Street, features a rotating annual display of community art. Over the years, artist Laura Sturtz has displayed several works in the Sculpture Garden. **Play the [video](#) to meet Sturtz, and click [here](#) to learn more about the Cedar Park Sculpture Garden.**
