Play ball! Perfect Game chooses Cedar Park for headquarters

Perfect Game is world's largest, most comprehensive baseball scouting organization

Have you heard the big news? The world's largest and most comprehensive youth baseball and softball scouting organization, Perfect Game, has chosen Cedar Park for its headquarters. Our City Council voted to approve a deal, as recommended by the City's Economic and Community Development Sales Tax Corporations, at Thursday's City Council meeting. The development will be located on land that belonged to longtime Cedar Park

residents, the Krienke Family - near the northeast intersection of Ronald Reagan and East Whitestone Boulevards. This project will create a new and thriving industry in sports tourism that Cedar Park has yet to see, and solidify Cedar Park as both a tourism and business destination. Learn more [here](#).

City Council adopts five Strategic Goals for 2021-2023

Goals guide future actions and decision-making

Last summer, Cedar Park City Council worked to identify current issues and priorities, as well as to provide direction for the future of Cedar Park. The discussion of the City Council's goals, vision and desires for the Cedar Park community led to the development of five Strategic Goals. Each goal has specific objectives to guide future Council actions and decisions, and City staff efforts. The five City Council Strategic Goals for 2021-2023, adopted by City Council at their September 23 meeting, are:

Livability and Sense of Place

Economic Vitality

Service and Fiscal Excellence

Mobility and Connectivity

Infrastructure and Environment

City Management will provide periodic progress updates on these goals, which pertain to 2021-2023 and beyond. Specific objectives and strategies may be updated as future needs require. Click [here](#) for more details.
