

TATTOO IMAGE FORM

Note: Please do not include any photos of a questionable nature. Discreetly located tattoos can be cited above in their own description section and discussed with your investigator at a later date.

Also, in order to keep this file within size limits, each photo must be no more than 1 MB. If necessary, there are a variety of online image re-sizing tools available. If you have more tattoos than can be added here, complete additional copies of this form.

Please include a clear, focused picture of any tattoos or brandings on your body that would be visible when wearing standard physical agility training shorts and tee shirt. Please provide a complete description of the tattoo and its meaning or significance along with location. Also advise if it is cover up tattoo or not.

Example:

This tattoo is of my home town at sunset. This reminds me of my childhood growing up in NYC in the 80s. Right forearm.

This is not at cover up tattoo.
