SECTION 1.01 Form of Government

The municipal government provided by this Charter shall be known as the “City Council-Manager Government.” Pursuant to its provisions and subject only to the limitations imposed by the State Constitution, the statutes of this State and by this Charter, all powers of the City of Cedar Park (“City”) shall be vested in an elective council, hereinafter referred to as the “Council.” The Council shall enact local legislations, adopt budgets, determine policies and appoint the City Manager. The City Manager shall be held responsible to the City Council for the execution of the laws and the administration of the government of the City. All powers of the City shall be exercised in the manner prescribed by this Charter, or if the manner is not prescribed, then in such manner as may be prescribed by ordinance, the State Constitution or the statutes of the State.

SECTION 1.02 Boundaries

The bounds and limits of the City are hereby established and described as being those boundaries established in the original incorporated proceedings of the City, filed of record on February 24, 1973 in the office of the Clerk of the County of Williamson, County, Texas and those boundaries established and changed thereafter in all annexation ordinances and proceedings of the City.

SECTION 1.03 Extension of Boundaries

The boundaries of the City may be enlarged and extended by the annexation of additional territory, irrespective of size and configuration, in any of the methods hereinafter designated and in accordance with a municipal annexation plan where required:

(a) Extending Limits in Accordance with [Chapter 43 of the Texas Local Government Code](#), as now or hereafter amended: Where such additional territory adjoins the corporate limits of the City such adjacent territory may be annexed to the City in the manner and in conformity with the procedure set forth in [Chapter 43 of the Texas Local Government Code](#), as now or hereafter amended.

(b) Annexation of Lands on Petition of Owners: A voluntary annexation by petition of the land owners whose land is contiguous and adjacent to the City’s corporate limits will, in accordance with an ordinance adopted by the City, establish appropriate rules and procedures for annexation. If the Council grants such petition, it may by proper ordinance receive and annex such territory as a part of the City.

(c) Annexation by Amendment to Charter: The boundary limits of the City may be fixed and additional territory added or annexed thereto by amendment to the City Charter.

(d) Extending Limits by Action of the Council: The Council shall have power by ordinance to fix the boundary limits of the City and to provide for the extension of the boundary limits and the annexation of additional territory lying adjacent to said City, with or without the consent of the residents or the owners of the territory annexed.

(e) Annexation by Any Other Method Provided by Law: Additional territory may be annexed into the City in any manner provided by law or in such manner as shall be provided by ordinances or resolutions of the Council. This shall be in addition to the methods hereinabove provided.

(f) Annexed Territory to Become Part of the City: Upon completion of any one of the procedures hereinabove provided, the territory so annexed shall become a part of the City, and the land and its residents and future residents shall be provided all the rights and privileges of other citizens of the City and shall be bound by the acts, ordinances, resolutions and regulations of the City.

(Amended May 12, 2012)

The petition and ordinance shall specify accurately the metes and bounds of the territory sought to be removed from the City and shall contain a plat designating such territory so that it can be definitely ascertained. When such an ordinance has been duly passed it shall be entered upon the minutes and records of the City and the territory and the inhabitants thereof shall cease to be a part of said City. At least thirty (30) days prior to the Council's consideration of any ordinance which would remove a territory as a part of the City, the Mayor shall have published an announcement that the territory has been determined to be not suitable or necessary for City purposes and shall include in the announcement the bases and reasons for such determination.
