Inclement weather: Class will not be cancelled due to light rain. In the event the aquatics staff feels the rain is creating an unpleasant environment or closes the pool per our thunder/lightning policy, your swim instructor will call the phone number we have on file to inform you of the cancellation as soon as possible. You may also call head to ask by calling Milburn Pool at (512) 401-5530. If class is cancelled, the Friday of that week will be used to make up the class.

Class minimum requirements: All classes must meet the minimum number of students required. If your class selection does not meet the minimum students required you will be notified by phone the week prior to the scheduled start date. All attempts will be made to combine students into an adjacent activity in the session, if that is not possible a full refund or credit to your account will be issued.

Low class attendance: All classes are subject to a shorter duration of class time if there are two or fewer students in attendance on a given day. This is done to prevent students from getting too far ahead or too far behind, depending on the situations. If only two students are present the class will be reduced to 30 minutes, and if only one student is present, the class will then be reduced to 20 minutes.

Customer requested cancelation:
1.) Cancellations must be in writing with a copy of the receipt submitted to the Parks & Recreation office, by faxing to (512) 260-1661 by emailing at parks@cedarparktexas.gov, or by mailing to the Parks & Recreation office (p4).
2.) Cancellations received more than two weeks prior to the activity date may receive a refund.
3.) Cancellations less than two weeks prior to the activity date: NO REFUND WILL BE ISSUED.
4.) Refunds are issued by check from the City of Cedar Park. Please allow 3-4 weeks for processing.
5.) A $7.00 handling fee will be assessed to each customer requested refund.
