## Automated Trash Truck Services Update

Hello, neighbors! We've received some questions about when the new automated side-loading trash truck will be coming to your neighborhood. Great news! As we continue the phased-in roll out of this new service, it will begin in your neighborhood the week of June 1. We'll need you to please set out your trash carts with wheels-to-the-curb and no less than three feet apart from other objects so that our crews can pick it up with the new truck. The new neighborhoods in the roll out are the following:

## Need a break from work-from-home monotony? Take your laptop to Elizabeth Milburn Park to enjoy Wi-Fi

The City of Cedar Park reminds you that, in partnership with Spectrum, we offer free wireless access in one of the City's most popular parks, Elizabeth Milburn Park located at 1905 Sun Chase Blvd.

### How it works

All Spectrum Internet customers receive unlimited WiFi access in Milburn Park while guest users are allowed up to 60 minutes per day access with the option to pay \$2.95 per hour for additional access.

Parks patrons' mobile devices will display one of three network IDs: TWCWIFI, TWC WIFI Passpoint, or Cable WIFI. Upon connecting to any of these networks, a user should select "Visitor Access". The user will then be prompted to enter his or her e-mail address and address ZIP Code.

There are ten access points installed throughout the park. This includes two access points in the pool area and eight scattered throughout the park to provide plenty of coverage.
