

Need help paying rent or utilities due to COVID-19? Williamson County's Wilco Forward Phase III can help you!

Williamson County is working with the following agencies to handle applications for Wilco Forward Phase III assistance in each agency's service area. These agencies will be reimbursed by the County for rent and/or utility assistance provided to a landlord, property management company, or utility company between March 1 through December 30.

Please contact the agency serving your city to request financial assistance!
