Effective **July 1, 2018**, architectural plan submittals and permit applications submitted to Cedar Park will be reviewed and inspected under the following codes:

- 2014 National Electric Code with local amendment
- 2015 International Fire Code with local amendments
- 2015 International Codes:
  - International Building Code
  - International Residential Building Code
  - International Plumbing, Mechanical and Gas Codes
- 2015 International Energy Conservation Code (as of 9/1/16)
- 2015 International Existing Building Code (as applicable)

**ATTENTION BUILDERS**

**EFFECTIVE July 1, 2018**

- **ALL** previously approved master plans will need to be revised and resubmitted in order to be reviewed for newly adopted code compliance.
