IS THERE SOMETHING WE SHOULD KNOW ABOUT FRISKERS AND FRANKIE?

Friskers the cat can be a bit irritable and Frankie the dog makes a break for it when the door opens. This is helpful information for first responders and why Cedar Park Police and Fire are empowering you to make public safety personal using Smart911.

Smart911 provides each Cedar Park household with the ability to create a single safety profile that contains information about your family's medical needs, details about your home and vehicles, landline and mobile phone numbers, emergency contacts, even your pets. When someone calls 9-1-1 from a phone number listed in your profile, first responders will use the valuable information you've chosen to share to serve you.
