Cedar Park Police Department Seeking Public's Help to Identify Suspect Involved in Sexual Assault Motivated Burglary

On the morning of October 8, 2015 at 5:42, Cedar Park Officers responded to an emergency call in the 400 block of Buttercup Creek Blvd. Based on the initial information gathered and facts that have emerged as part of the ongoing investigation, Cedar Park Detectives believe the suspect entered the home in order to sexually assault the resident.

The description we have for the suspect is a man in his early 20's with dark skin who stands approximately 5'7" and has a small to medium build. He was last seen wearing a sleeveless blue shirt, grey basketball shorts and a do-rag on his head.

The Cedar Park Police Department is applying every available resource at our disposal to gather evidence and to identify this individual. We need the public's help to move forward. If you believe you have information about the identity of this man, please call the Police Department at (512) 260-4794 or send tips anonymously using the tip411 feature on our Facebook page or by downloading the CPPD Tips app to your phone.

As always, we encourage the public to be mindful of their surroundings, to keep windows and doors locked and to call us when they notice suspicious behavior or persons in their neighborhood.
