Cedar Park Police To Increase Traffic Enforcement Efforts During Spring Break

Spring break is nearly upon us and Cedar Park Police will once again be adding extra resources to monitor for and enforce impaired and aggressive driving violations during the busy season. In an effort to keep travelers safe, we will be saturating the roadways with additional patrol officers from March 4th to March 21st using TxDOT's Selective Traffic Enforcement Program (STEP) grant funds.

Whether planning the vacation of a lifetime or a low-key staycation during the break, the rules are the same. Don't get behind the wheel if you've been partaking (this includes prescription medications that impair judgment) and drive politely so we can all Arrive Alive!
