CONDITIONS OF PERMIT

In approving this right of way use application, all work is subject to the inspection and control of the City's Engineering Department.

This application must include attached to it:

1. The required fees in accordance with Cedar Park Code of Ordinances Art. 16.03 (attached) and the Fee Schedule (attached);
2. All items listed in the Design Manual (attached); and
3. Right-of-Way Use Permit, if applicable.

In obtaining this permit, the contractor performing the work assumes all liability for any damages performed to any utilities, streets, and sidewalks in the area where the work is being performed. If damaged, the utilities, streets and sidewalks shall be repaired by the contractor to satisfaction of the City of Cedar Park.
